

F1B

FINE WIRE STAPLERS

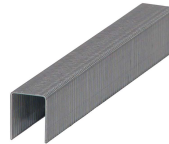

Light, powerful, versatile, long lasting tools with sturdy components. These are strengths common to all FASCO fine wire staplers. A perfect balance of the latest technology blended with Old World Craftsmanship. Automatic versions and long magazine models are available for some of the most popular staple series.

F1B LONG MAGAZINE

F1B LONG NOSE

F1B STANDARD

FEATURES AND BENEFITS

- Long, narrow nose design: gets into recesses & corners with unobstructed view
- Ergonomic handle with rubber grip: secure - comfort
- Bottom loading magazine: speeds reloading of staples & keeps out dirt
- Two finger trigger: greater control and less finger fatigue
- One hand latch: quicker reloading and reduced downtime
- Reversible bumper: high durability & increased parts life
- Steel driver blade: engineered for longer life expectancy
- Rear exhaust with muffler: quieter with air diverted away from operator & reduces lubricant soiling surface
- Patented slider: no welded parts for improved maintenance and less frequent replacement.
